

ROYAL OIL CO.

SPECIALTY LUBRICANTS

AG WASH

Excellent Tank & Equipment Cleaner

9.6 pH

Triple Surfactant Power

Extremely Versatile

Biodegradable

100% Soluble

Highly Concentrated

“AG WASH is a premium equipment and tank cleaner like no other on the market. The combination of surfactants and a synthetic detergent are no match for dirt, hard water residue, chemicals, etc.

AG WASH is a versatile new cleaner consisting of three surfactants that work together to “lift” dirt and grime away from the surface being cleaned. These surfactants allow AG WASH to penetrate beneath the dirt and remove it in a lift and rinse combination. The true power of AG WASH can also be seen when cleaning chemical residue, grease and organic soils.

AG WASH is 100% soluble in water and can be used in various applications including power washing. Look to the reverse side to find mixing ratios depending on the type of cleaning being done.

At the end of the day choosing a cleaner can be difficult, as different soils often require more “bite” than others. While we offer products like ROYAL COMMAND and the soon to be released ROYAL COMMAND II, AG WASH is the perfect place to start as an all purpose, powerful, equipment and tank wash product.

AG WASH

Product Specifications

USES

STEAM CLEANING

HEAVY DUTY EQUIPMENT WASHING

REGULAR MAINTENANCE OF FLOORS, WALLS & PAINTED SURFACES

TANK & CHEMICAL WASHING. CLEANING AND DE-GREASING INDUSTRIAL EQUIPMENT

METHODS

Mix 1 part AG WASH to 20 or more parts of cold water.

Pre-rinse equipment. Add 1 part AG WASH to 25 parts of cold water. Apply. Use a brush if needed. Allow to soak 5 to 10 minutes. Rinse.

Dilute 1 part AG WASH to 35 parts of water.

Dilute 1 part AG WASH with 10 parts of water or 10-12 ounces per gallon of water. Note in some applications a solvent may be needed. AG WASH can be mixed 1 part to 5 parts solvent. When a solvent is used, the mixture is flammable.

ADVANTAGES

Safe, no caustics. Effective wetting.

No harm to painted surfaces. Effective and economical.

Inexpensive. Just a few cents per gallon .

No caustics. Mild. While cleaning is in process, do not operate equipment.

Sharing lubricant knowledge and delivering the highest quality products, two things we promise our customers. The difference will change how you view, purchase and utilize greases and oils from here forward.

Family owned and operated since 1926.
